FROM: James H. McDonald  
Director of Logistics

SUBJECT: DCI's Annual Report to the Congress

REFERENCE: Routing Sheet to Office Directors, fm C/MS/DDA,  
dtd 13 Nov 80, transmitting multi adse memo  
fm SA/DDCI, dtd 7 Nov 80, same subj (DD/A 80-2275/2,  
OL 0 5108)

The Office of Logistics has reviewed the reference memorandum and can offer no meaningful contribution which would impact on any of the four major topics to be addressed by the Director in his annual report to the Congress. I am certain that you or he will address, on behalf of the entire Agency, the problem of meeting ever-increasing support requirements in the face of fixed or decreasing constant dollar budgets and spiraling materiel costs. If desired, we can provide considerable data substantiating this problem.
